

NOMINATING PETITION MEDFORD IRRIGATION DISTRICT

Note: The Medford Irrigation District has been subdivided into five Divisions. Each Division is represented on the Board of directors of the district by one Director of Medford Irrigation District for a three-year term. Each Director must be a resident of Oregon and either a bona fide owner of land or a shareholder of a bona fide corporate owner of land situated in the Division that he or she represents. Directors may be nominated only by qualified electors within that Director's Division (at least 10 electors). A qualified elector is a person who meets the voting requirements for age, residency, and registration and who has the present right to vote in an election. If an elector is an owner in two or more Divisions and resides in one of them, the elector shall vote in the Division of residence. If an elector is a nonresident of the district, the elector may choose to vote in any one Division in which the elector is an owner of the land. However, when a nonresident landowner chooses to vote in any one Division, the landowner must make an irrevocable election to vote in that Division and remains irrevocable until the nonresident landowners' ownership status changes in any way or until the nonresident landowner become a resident owner. By signing the following Nominating Petition, you are certifying to the Medford Irrigation district that you are a landowner in the Division noted and that you are qualified to vote in that Division.
